RE: Bonding Program

Dear Mr. :

Please be advised that your bonding line of credit has been established with Small Business Federal Bonding. The Underwriting department has placed a limit of Three Million Dollars (\$3,000,000.00) per job, not to exceed a total of Nine Million Dollars (9,000,000.00) aggregate during the next (12) months, from the date of this letter.

Your bond rate is subject to change according to the work load you are under, and the owner that you are contracted to.

Your Agent of Record is Morris Sears. Mr. Sears' contact information is as follows: Cell 850.619.4573; Office: 541.833.8171; Fax: 541.610.1718; and email is [morrisears@cox.net](mailto:morrissears@cox.net)
Please contact Morris or myself at any time. We are looking forward to working with you.

Respectfully,

Aaron Powless
